

Does My Phone Require an Adapter?

Life Blue Tube Air Headset comes in two convenient types: 2.5mm jacks and 3.5mm jacks. These popular jack sizes accommodate most phones.

For help determining the size of your jack, use the chart below.

If your phone is not listed, check your phone's user manual, your phone's manufacturer or your mobile carrier. You can also find them at many wireless retailers and electronics stores. They are compatible with 2.5mm Blue Tube Headsets.
